Your volunteer help to make this event successful is necessary. Please email Patty to let her know how you can help. We need help with:

1. Page Turners (both at rehearsal/concerts).
2. Organize Student entry into the concert.
3. Supervise students while they wait to perform.

The first 20 students from studios will be assigned parts. After the application deadline, parts will be assigned for additional students wishing to participate. All students will receive assignments. This policy is in place to promote fairness to all teachers wishing to receive first choice requests.
