

Fall Ensemble Festival 2022

Do you remember the first Fall Ensemble Festival in 2019 and the second just last fall? VMTA is again offering this performance opportunity for students. Pianists are often asked to accompany singers or instrumentalists.

Collaboration between musicians is both fun and educational opening up a new dimension in music making. The next Fall Ensemble Festival is scheduled for November 13, 2022 at 2:45pm, at the Richmond Library. The Ensemble Festival is a great way to build skills for accompanying. Friends and family members of a student who studies with a VMTA member are invited to

join in. Chamber music, solo instrumentalists accompanied by students, piano duets, and piano trios are examples of music to be performed at the Festival. *Memorization* for this concert is not required.

Teachers may enter 15 minutes of music for the performance and may add more if time allows. A fee of \$5 per student or \$10 per family will be charged. The VMTA Board is excited to continue this new venture.

Students who participated previously enjoyed the challenge of a different experience. No memorizing and group participation make this more enjoyable for students. If you have students interested in performing, please contact Marie Johnson at 879-8863 or mdjkiln@gmail.com.
